

La Crosse County Falls Prevention Coalition Meeting – 1/28/2015

- Present: Kunze, Stapleton, Brose, Straker, Locy, Lombard (with student interns) Schertz (with student intern), Albrecht, Bryant, White
- The group felt we should develop a Fall Prevention Resource Guide similar to the one in Winnebago County. A small group from this Coalition met (Tyler, Gwen, Noreen, Larry) February 10, to suggest the following strategy:
 1. Look at the Winnebago County Fall Prevention Resource Guide
 - i. It was attached to the minutes of the November meeting
 - ii. Call Larry (783-6969) for a hard copy
 - iii. Google - Winnebago County Fall Prevention Resource Guide
 2. Within each of the 9 categories/chapters, there is a section with generic information on that specific topic and a section listing community resources relating to that topic.
 3. At the next meeting of the La Crosse County Falls Prevention Coalition, February 25, 2015, we can set up two subcommittees/Task Forces: one on what content / topics we want and one on listing community resources. This will become the script for our brochure. Plus all this information will be posted as our website. Or we can just accept the content/topics in Winnebago County and just change the Resources section to La Crosse County Resources.
 4. Bring to the February 25 meeting, the names of any graphic designers, printers, etc., we could contact for bids.
- This coalition is invited to have a booth at the Viterbo University Health Fair on April 14, 2015.
- Next meeting will be:

*Wed., Feb. 25, 2015 at 1:01
in Room 2076 Health Science Center
1300 Badger St. La Crosse*

AGENDA

1. Set up Subcommittee /Task Forces
2. Develop timeline
3. Decide if some or all Guides have magnets
4. Draft Budget
5. Identify potential funders
6. Fall Prevention Programs in Colorado, *see attachment*
