

Falls Prevention Coalition Meeting – May 27, 2015

- Present: Stapleton, Johnson, Schertz, Kunze, Brose, Betz, Straker, White
- Final revisions were offered to final draft of the La Crosse County Falls Prevention Resource Guide which will go to the printer when all the funding is secured from the six sponsoring agencies – hopefully by mid-late June. They then will be sent to the La Crosse County Aging Unit for distribution – all 7000 of them.
